

Share the Pittsburgh Region's Energy Story

Communications Toolkit

The Global Clean Energy Action Forum is convening in Pittsburgh from September 21-23 giving Pittsburghers a unique opportunity – on a global stage – to shine a light on what is happening next and now in energy from our region while forging new and strengthening existing relationships with energy leaders from around the globe.

We encourage you to use the following resources to spread the word about the region's energy story.

Suggested Social Media Posts

The Pittsburgh region already offers everything the world needs to make the transition to a #clean-energy future for all. That's why we're pumped to show worldwide energy leaders at #GCEAF how we're harnessing the power of now: pittsburghregion.org/power
